

Patrick Lamarre
President and Chief Executive Officer
SNC-Lavalin Nuclear Inc.

Patrick Lamarre is the President and CEO of SNC-Lavalin Nuclear Inc. (formerly CANATOM NPM Inc). He is responsible for the global operations of SNC-Lavalin Nuclear and all of the operations of SNC-Lavalin in Ontario (thermal, hydro, construction, infrastructure and industrial). He joined SNC-Lavalin in 1995, and has worked on projects in Chile, Cuba, Venezuela and Australia as well as in Montreal and Toronto. His experience covers project financing, operation management, project design, engineering and

participation in large projects (over \$1 billion).

Mr. Lamarre is a chemical engineer, a graduate of the University of Waterloo and a graduate of the Advanced Management Program from the Harvard Business School. He is on the Board of Directors of the Canadian Nuclear Association, a member of the National Advisory Panel on Energy Science and Technology for Natural Resources Canada and is a member of the Professional Order of Engineers for Ontario and Quebec. In 2007, he was named one of Canada's "Top 40 under 40". Mr. Lamarre is fluent in English, French and Spanish.
