Experts and Industry Leaders Discuss Role of Nuclear in Canada

The Canadian Nuclear Association is hosting its annual Conference and Trade Show this week at the Westin Hotel Ottawa. Themed 'Competing in World Markets – Strategies for Growth', the conference features several award-winning speakers, industry leaders and politicians who will launch innovative and creative conversations about nuclear in Canada.

Canada's nuclear industry is poised for change and growth. The global community is moving ahead on nuclear expansion to address the challenges of climate change, and the province of Ontario is committing to new nuclear in its Long-Term Energy Plan.

The Conference begins on February 23rd through to February 25th. *To view the full Conference program, please visit: <https://www.cna.ca/english/tradeshow2011/program>*
