

**NUCLEAR CANADA YEARBOOK 2006**  
Suppliers' Addresses & Representatives

## **Focus** (v) : to concentrate attention or effort

At Babcock & Wilcox Canada, we focus.

We focus our solutions to meet your unique requirements.

We pride ourselves on innovation and engineering excellence. Our nuclear steam generators have an outstanding performance record. Our replacement reactor vessel closure heads incorporate unique manufacturing processes to minimize residual stress. And our nuclear services for equipment inspection and maintenance keep your plant operating efficiently with minimal downtime.

Expertise. Attention to detail. Focus. Our approach delivers outstanding results.
