

Jack D. Bingham
Vice President, Information Technology and Training
Bruce Power

Jack has more than 22 years of operational and corporate experience on the Bruce Power site, having held positions in nuclear operations, radiation safety, health physics, training, waste management, outage management, corporate communications and executive support.

Jack is also active in the local community, having twice been elected as a municipal councilor and having served 12 years as a member of the Board of Directors of Meridian Credit Union, one of Canada's largest credit unions.

Jack holds a Bachelor of Arts from the University of Western Ontario.

One of Ontario's largest independent power generators, Bruce Power is a partnership among Cameco Corporation, TransCanada Corporation, BPC Generation Infrastructure Trust, a trust established by the Ontario Municipal Employees Retirement System, the Power Workers' Union and The Society of Energy Professionals.
