

Steve West
President
MDS Nordion

Steve West has been President of MDS Nordion since April 2003. He is also a member of MDS Inc.'s Executive Management Team.

MDS Nordion is a world leader in medical isotopes for molecular imaging, the development and supply of radiotherapeutics for cancer treatment and sterilization products and services for the diagnosis, prevention and treatment of disease.

Prior to joining MDS Nordion, Steve was a senior partner with MDS Capital Corp. which has involved providing support to over 70 portfolio companies in which MDS Capital Corp. has made investments. Steve was also President of DiverseyLever Canada and a Board Director of Unilever. His background includes various CEO assignments in Asia Pacific as well as leading global portfolio management, technology transfer programs and international business development responsibilities in the field of speciality chemicals. Steve has also had several years experience in production management as a Brewmaster in the UK.

Steve has a degree in Genetics from London University (UK) and completed postgraduate research in Biotechnology.

Steve serves as a board member of The Ottawa Partnership (TOP) and The Ottawa Hospital Foundation.
