

Angelina S. Howard

*Vice President, Office of the President
and Executive Advisor to the President
Nuclear Energy Institute*

Angie Howard is vice president, Office of the President and Executive Advisor to the President for the Nuclear Energy Institute. In this role she represents NEI with policy, academic and industry organizations in the U.S. and abroad. Ms. Howard, who joined NEI in 1996, has had previous responsibilities for the organization's communications, external affairs and member relations activities.

Before joining NEI, Ms. Howard was vice president and director of industry relations and information services for the Atlanta-based Institute of Nuclear Power Operations. She also was involved in the formation of the World Association of Nuclear Operators and the development of communications activities for the WANO-Atlanta Center, which is co-located with INPO. Before joining INPO in 1980, Ms. Howard was employed by Duke Power Company from 1969 to 1980.

Ms. Howard received a bachelor's degree from Clemson University, and is a graduate of the Advanced Management Program at the Harvard University Graduate School of Business. She has completed the Reactor Technology Program for Utility Executives sponsored by the Massachusetts Institute of Technology and the National Academy for Nuclear Training. Ms. Howard is an accredited member of the Public Relations Society of America and is a member of the American Nuclear Society. She also is a member of the Clemson University Research Foundation Board.
