### **Privacy Policy**

CNA has contracted Redstone Agency to act as the professional conference organizer for the CNA2021.

In order to successfully hold CNA2021, CNA and Redstone Agency (Redstone) collect contact and personal information about registrants through conference registration forms. The achievement of the Conference’s objectives involves, among other things, communicating with and determining the needs of registrants, processing payment relating to attendance at events or event related services and products.

Completion and submission of the registration form to CNA and/or Redstone I provides your consent to CNA and/or Redstone to collect your personal information associated with your registration in order to communicate with you, process your conference registration and make any arrangements with third party service providers pertaining to your participation at CNA2021 (including the provision of this personal information necessary to complete your registration or any aspect of your participation).

If a registrant does not consent, then his/her contact information shall be used by CNA and/or Redstone solely for purposes of communicating with the registrant and shall not be provided to anyone else, except as provided for above to process the registration. In the event a registrant does not complete the Collection, Use and Disclosure of Information Section, the submission of a conference registration form constitutes the consent of a registrant to the use of his or her contact information for these purposes.

In accordance with Canada’s anti-spam laws, the CNA will require expressed consent to contact you for commercial purposes outside of your participation at CNA2021. Acceptance of these terms and conditions are mandatory for CNA2021 registration, and thus do not indicate your expressed consent for future communications. This consent will be collected separately during all CNA event registrations. Except as previously noted, your information will not be provided to any third party.

Redstone will retain personal information provided to them only for so long as it is required for the purposes stated above. Information about former registrants is not actively maintained.

**Photo and Video Release**

The CNA will take photographs and video at CNA2021 and may use them in CNA news or promotional materials whether in print, electronic format or other media, including the CNA website. By participating in CNA2021, you grant CNA the right to use your name, photograph and/or video recording for such purposes.
